Notes:

1. All Rates and Fees above shall be increased by 75% of the Consumers Price Index (CIP), or 3%, whichever is lower, consecutively for four (4) years beginning May 1, 2023 through May 1, 2027, at which time the May 1, 2027 rates will become fixed until a new rate study justifies additional fees and charges.
2. **2024 CPI was 2.9%. Rate adjustment for May 1, 2025 = $(2.9\% \times 75\% = 2.18\% < 3\%)$ Use 2.18%**
3. Multi-Family/Multi-Housing Enterprises on a single meter shall be billed a Base charge for each unit, and all usage charges shall be billed at the Commercial Rate.
4. Mixed Use single meter customers (customers that include a dwelling unit and a Business Permitted Enterprise) shall be billed at the Commercial Rate for Water and Sewer.
5. Water, but Non-Sewer Customers that do not discharge to the AWSD sewer system, will only be billed the applicable Residential or Commercial rate.
6. Agricultural Enterprise Customers shall be billed at the Commercial Rate.
7. Desert Aire does not have a wastewater system. Effective May 1, 2023 there are no flat rates.
